

The web address is GrantCo.Dollarsforscholars.org or you can go to the school website under the high school "department" and click on the Dollars for Scholars link

Important: This Scholarship will open on Friday, April 15, 2022 and close Sunday, May 8, 2022. It will lock and you will NOT be able to re-enter after May 8th. Some of you may have already completed some of the following procedure, however, please review and do not set up a second student profile.

- Go to the student & Parent Login Page
- Set up a login if this is the first time you are using this website. Use a permanent email versus your school email if you have one since once high school is complete it will become unusable for us to contact you.
- Click on scholarships
- On the left-hand side there are many parts of the student profile. Please go through them. Anything with a double** is a required field for Scholarship America and no scholarship will open if these fields are not complete. There are several that each student must include for our local scholarship to open.
 - **Basic Information**
Elgin-New Leipzig 49 for school district
 - **Additional Information**
High school graduate
 - **Schools**
Senior in High School & 2022
Students will be enrolled - Fulltime

Any additional part of the profile you complete including financial information will open additional scholarships at the state or national levels through ND Dollars for Scholars/Scholarship America or connect you to the Web for others. A strong suggestion would be to keep your information current as you enter college!

- One you complete the areas noted, a new scholarship will show up as "Senior Scholarship 2022". This is the one offered by us - GCDFS
- Upon opening there will be 7 questions to answer. Please complete all of them.
- You can work/change/add on this scholarship as often as you like and save and return.
HOWEVER, when you are finished you must hit "APPLY" and you will need to provide an electronic signature. Once you do this and submit, you should receive an email from Scholarship America saying you have applied. If you do not go back to your Senior Scholarship application and finish or hit apply. The button will be in red.

No matter the amount awarded applying and receiving this scholarship will open the opportunity for an annual college continuing education scholarship from us as well

Anyone needing help may contact Yvonne Seidler. You can call or text 426-3272. You can also email me at yvonne.seidler@farmcreditmandan.com.

Final Reminder: This website will offer scholarships throughout your college days and not just from your local chapter, but ND Dollars for Scholars and Scholarship America and other scholarship programs. Feel free to check in often and see if there is anything available. It also helps to keep your profile up to date.
